At Park View, we offer a variety of products and services of exceptional value, which can all be arranged at one convenient location.

### **WHY PLAN AHEAD?**

Individuals have expressed to us the sense of relief and serenity they have experienced having known or discovered their loved ones thoughtfully attended to and completed the task of pre-planning and pre-paying their funeral arrangement. Imagine for a moment how these decisions might be made if never talked about or considered.

### **IDENTIFICATION CARDS**

Upon completing your arrangements, you will be given two identification cards; one is intended to be carried within your wallet; the other is intended to be placed in your medical file within the office of your primary physician.

### **FINANCIAL TERMS**

**AT-NEED:** Payment for selected products and services is due in full at the completion of the arrangement meeting. If you are wanting to pay for the services with an insurance policy you may do so as long as the insurance policy is verifiable and is in force beyond the contestable period at the time of death of the insured; and is assignable by the beneficiary to Park View Cemetery & Funeral Home, at the time of the arrangements, and are free of liens. Such policies are acceptable as a guarantee of payment of the balance due. This in no way relieves the beneficiary of his/her obligation to pay should the insurance company fail to honor the policy or assignment. Interest will be charged after 30 days beyond the initial service agreement date. Generally the personal representative or estate attorney has access to funds, payable immediately for funeral expenses. Payment of goods and services are due and payable upon completion of the arrangement session. Payment options are cash, check, money order, certified check or Visa, MasterCard, American Express and Discover credit cards. If paying by check, the check will be converted to an immediate debit transaction via our check processing machine. If the check is not accepted by our check processing machine FOR ANY REASON, that check will no longer be considered an acceptable form of payment.

**PRE-NEED:** Park View accepts funds that by law must be placed in a trust for prearranged funeral or burial. We are obligated to deposit said funds within 30 days of collecting them. We utilize California Master Trust for funeral trust deposits and for burial Opening and Closing trusts. We utilize Great Western Insurance for funeral insurance prearrangements. We want our clients to understand the process and reasoning for the strict guidelines used in protection of their deposited funds. Park View cannot gain access to these funds until the individual has passed away and a death certificate with verification is provided to the trust or insurance institution. Your funds are protected and safely deposited as required by California State Law. If you have any comments, concerns, or questions, please call our office at 209-982-1611. Also, feel free to call California Master Trust directly at 1-800-322-4268.

### **ESTATE CLAIMS**

It is the policy of Park View Cemetery & Funeral Home that due to the average length of time, in excess of four (4) months, needed to obtain reimbursement of a claim against a decedents estate, that no estate claims are considered an acceptable method of payment for service contracts. Estate claims may be filed by the next-of-kin or the person responsible for the service arrangements for reimbursement of funeral expenses.

## **SPECIAL TERMS IN FULFILLING CONTRACTS**

It is a policy of Park View Cemetery & Funeral Home, that if special terms of payment must be made to fulfill any contractual obligation, a credit application must be completed with the manager. Park View Cemetery & Funeral Home must approve verification of credit prior to final disposition taking place. One half of the Total Amount Due must be paid prior to the day of the service if credit has been granted. The balance is to be paid within the specified terms of the credit granted. Interest of ten percent per annum will be charged on any unpaid balance until paid in full.

### **GENERAL STATEMENT**

The survivor of the deceased who is handling the funeral arrangements, or the responsible party, is entitled to receive, prior to the drafting of any contract, a copy of any agreement that has been signed and paid for, in full or in part, by or on behalf of the deceased, and that is in the possession of the funeral establishment.

In 1916, the founders of Park View Cemetery began the tradition of conducting funeral and burial services within the grounds of Park View Cemetery. Dave, Kathy, Bill, and the rest of our team proudly carry on this family tradition.

The grounds at Park View Cemetery & Funeral Home exude the echo of life in the songs of the birds and the loveliness of nature all around. All staff members of Park View strictly maintain family confidentiality and privacy. We invite you to walk throughout the Park, to feel for yourself something of the peace and serenity associated within this simple and beautiful country setting.

Park View Cemetery & Funeral Home, located on French Camp road near Hwy 99, has a dignified country atmosphere. Our chapel, located within the cemetery grounds, has seating arrangements to accommodate 75 guests. Caskets are placed reverently in the Chapel in full view, undisturbed, as the family and friends enter for visitation or funeral services. The funeral ceremony is a celebration of the loved one's life -- not death.
